New Pastor at High Barnet Baptist Church and upcoming mission week!

Last month (14th April) saw the induction of Tim Lock as Pastor of High Barnet Baptist Church. After much prayer and planning, it was a fantastic occasion praising God for his faithfulness and committing this new chapter into His hands. The church family were so encouraged to see the building full of people and particularly enjoyed the singing!

A few weeks on, and High Barnet Baptist Church are now looking forward to welcoming a Mission Team from Valleydale Church, Alabama, to support an outreach initiative in the month of June. This week-long mission will involve street evangelism, events at the church, and much prayer.

Fundraising for Together For Mission

We are currently gathering a Fundraising Team, to raise funds for the ongoing work of Together For Mission, the set up and running costs of Turkey Street Community Church (TSCC), and for purchasing the building that they hope to meet in.

If you have experience of fundraising, and would like to offer some time to Together For Mission for this vital work, please do email admin@togetherformission, and your details will be passed to the fundraising team. There is a lot going on behind the scenes to secure our use of the London Mission building for TSCC. Please pray this can be finalised in the next few weeks.

Together For Mission Festival Day

Plans are starting to come together for the Festival Day, on Saturday 13th July at Enfield Town Community Church.

We asked Leah from Bush Hill Park Community Church why she loves the Festival Day and she said “The Festival Day is a great time to catch up with friends old and new, and edify one another. The Bible teaching is always encouraging and equips the body of Christ. I have also enjoyed being part of the band, singing and praising our KING JESUS!”

Update on Turkey Street

The planting team continues to meet together for lunch and ‘grow group’ every Sunday. They are thinking through how they can be part of God’s building project in the Turkey Street community and how they can best show the love of Jesus to a community that describe themselves as “forgotten”.

The team have been going out to explore the area and build relationships with those they meet. One man told them “there is no such thing as grace, I don’t see it here”. Pray the team will be “faithful stewards of God’s grace” as they spend time in the Turkey Street community.

Turkey Street Community Church will be commissioned at the Together For Mission Festival Day and begin meeting together on Sundays from then on.

Prayer points:

- Pray for the Locks as they continue to build relationships with the High Barnet Baptist Church (HBBC) family and the wider community.
- Pray for safety as the Valleydale team travels to the UK, and for joy and unity as they serve together with the HBBC family.
- Pray the mission trip would see people saved, gospel seeds sown, new connections made and for families to join us!
- Pray that God would use the Turkey Street planting team in the weeks and months ahead to help people to see that God has not forgotten them.
- Pray that the Turkey Street team will know God’s help as they prepare to leave their churches and be Turkey Street Community Church!
